Use this Product Safely

Driving
Be aware of road and traffic conditions. Keep the volume at a low level.

Moisture
Do not expose the product to water or excessive moisture. This could cause electrical shorts, fire or other damage.

Parking
Parking in direct sunlight can produce very high temperatures inside your vehicle. Give the car interior a chance to cool down before starting playback.

Proper Power Supply
This product is designed to operate with a 12 Volt DC, negative ground battery system.

Protecting the Disc Mechanism
Avoid inserting any foreign objects into the slot of this player. Failure to observe this precaution may cause malfunction of this unit.

Repairs
Contact our customer service representatives. Do not attempt to disassemble or adjust this product yourself.

Installation
The unit should be installed in a horizontal position.

Cleaning
Use a soft cloth with some purified water to clean the screen. Do not use any cleaner or chemical to clean the screen. Usually, a dry cloth will do.

Warning
Be careful not to drop or apply undue pressure to the front panel of monitor. If the screen cracks due to misuse, the warranty will be voided!

Disc Handling

• Dirt, dust, scratches and warping disc will cause non operation.

• Do not place stickers on disc or scratch disc.

• Do not warp discs.

• A disc should always be kept in its case when not in use to prevent damage.

• Do not place discs in the following places:
  1. Direct sunlight.
  2. Dirty, dusty and damp areas.
  3. Near car heaters.
  4. Car seats or dashboard.

Disc Cleaning

Use a dry soft cloth to wipe the surface. If the disc is quite dirty, use a soft cloth slightly moist with isopropyl (rubbing) alcohol. Never use solvents such as benzine, thinner or conventional record cleaners as they may mar the surface of the disc.

Note: A disc may become somewhat scratched (although not enough to make it unusable) depending on handling and conditions in the usage environment.

Label side up

Do not touch the underside of the disc

Do not bend

Wipe the disc from center toward the outside edge.

Preparing New Discs with Rough Spots

A new disc may have rough edges on its inside and outside edges. If a disc with rough edges is used, the proper setting will not be performed and the player will not play the disc. Therefore, remove the rough edges in advance by using a ball point pen or pencil as shown. To do this, press the side of the pen or pencil against the inside and outside edges of the disc.

Troubleshooting

Only qualified service personnel can remove the cover or service this player. Otherwise the warranty will become invalid.

No Power:
- Check to see if the player is set to "On".
- Check to see that the power plug of the main unit is properly connected.
- Check to see if that power to the outlet is properly working.

No Picture:
- Check to see that the monitor is switched to "On".
- Check that the correct Mode is selected (DVD or AV) by pushing the MODE button.
- Check the video connection.

Distorted Picture:
- Check the disc for fingerprints and clean with soft dry cloth, wiping from center to edge.
- A small amount of picture distortion may appear. This may not be a malfunction.

No Sound:
- Check audio connections.
- If using a Hi-Fi amplifier, try another sound source.

Disc Does Not Play:
- Ensure the disc label is facing forward.
- Clean the disc.
- Check to see if the disc is defective by trying another disc.

The Player Does Not Respond to the Remote Control:
- Aim the remote control directly at the sensor on the front of the housing.
- Avoid all obstacles which may interfere with the signal path.
- Inspect or replace the remote control batteries.

Buttons Do Not Work:
- Press **POWER** to turn "Off" the unit, then press it again to turn "On" the unit.

Volume different for DVD and CD:
- This is due to different recording methods

Warranty

ONE (1) YEAR LIMITED WARRANTY

Magnadyne Corporation or its authorized agents will within 1 year from the date of sale to you, repair, replace or refund the retail sales price of said product or any part thereof, at the option of the Magnadyne Corporation or its authorized agents, if said product or part is found defective in materials or workmanship, when properly connected and operating on the correct power requirements designated for the specific product. This warranty and Magnadyne Corporation or its authorized agents obligations hereunder do not apply where the product was; damaged while in the possession of the consumer, subjected to unreasonable or unintended use, not reasonably maintained, utilized in commercial or industrial operations, or serviced by anyone other than Magnadyne Corporation or its authorized agents, or where the warning seal on the product is broken or the power and/or plugs are detached from the unit. Magnadyne Corporation or any of its authorized agents will not assume any labor costs for the removal and re-installation of any product found to be defective, or the cost of transportation to Magnadyne Corporation or its authorized agents. Such cost are the sole responsibility of the purchaser.

This warranty does not cover the cabinet appearance items or accessories used in connection with this product, or any damage to recording or recording tape, or any damage to the products resulting from improper installation, alteration, accident, misuse, abuse or acts of nature.

MAGNADYNE CORPORATION OR ITS AUTHORIZED AGENTS SHALL NOT BE LIABLE TO ANYONE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES OR CLAIMS EXCEPT THOSE ACCORDED BY LAW. NO EXPRESSED WARRANTY OR IMPLIED WARRANTY IS GIVEN EXCEPT THOSE SET FORTH HEREIN. NO IMPLIED WARRANTY SHALL EXTEND BEYOND 1 YEAR FROM THE DATE OF SALE.

This warranty extends only to the original purchaser of the product and is not transferable.

Some states do not allow limitations on how long an implied warranty lasts and some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusion may not apply to you. This warranty gives you specific legal rights and you may have other rights that vary from state to state. Defective merchandise should be returned to the original point of purchase or secondly, to Magnadyne Corporation, 1111 W. Victoria Street, Compton CA 90220. Return Authorization must be obtained before sending, or merchandise may be refused.
